

REIKI 1 TRAINING

WITH DANIELLE FOWLER & MELANIE WASSMAN

Friday, June 23rd, 1:00 - 6:00pm

Reiki I training prepares you to provide Reiki healing on yourself and encourages the practitioner to have direct experience with Reiki energy. Level 1 training is a practitioner's initiation into Reiki and is open to anyone. The focus during Level 1 is for self-healing through balancing and harmonizing the major energy centers known as chakras. The Level 1 initiation opens the central energy channels on a physical level, allowing the practitioner to connect to the universal life force energy. It connects the student to the universal energy permanently, allowing them to channel the energy whenever they wish. We emphasize self-Reiki as the goal of the Level 1 designation, encouraging students to focus on practicing Reiki on themselves, thereby doing the personal work to clear obstacles and experience optimal wellbeing.

This training also includes an instructional manual.
